[Bridge: Joel Birch & Ahren Stringer]

Ebmin **Bmaj**
I'll stare into the sun

F#maj **C#maj**
To burn out what I've done

Ebmin **Bmaj**
I'll tear myself apart

F#maj **C#maj**
To see what I've become

Ebmin **Bmaj**
Nothing wrong with my depression

F#maj **C#maj**
My sick and miserable obsession

Ebmin **Bmaj**
If I could only get some space

F#maj **C#maj**
If I could only learn my lesson

Ebmin Bmaj

F#maj **C#maj**
If I could only learn my lesson

Ebmin Bmaj

F#maj **C#maj**
If I could only learn my lesson

[Chorus: Joel Birch & Ahren Stringer]

Ebmin **Bmaj**
You can drag the lake

F#maj **C#maj**
But you won t find me

Ebmin **Bmaj**
You can drag the lake

F#maj **C#maj**
But you won t find me

Ebmin **Bmaj**
You can drag the lake

F#maj **C#maj**
But you won t find me

Ebmin **Bmaj**
You can drag the lake

F#maj **C#maj**
But you won t find me
