=====

(Uhu)

>From the valley of the missing
I was some old pity boy(?)
Bragging party just beginning
All the tales with the noise

Look hard in the chloroform
Don t throw me off the town(?)
You know what I need fur is shining
I m on your tail(?)

Here I ll hailes tales and drafts(?)
You are what I need
To hear to fill the air
With memorise breaths
Memorise breaths

>From the valley of the missing
Down the stoned of dope(?)
The kids were jogs fucking daughters(?)
just a business fluke(?)

I don t know a thing about it
Crazy tipper thanks a lot
You ride with all in your sleep
I m up with the last one off

Here I ll hailes with tales and drafts(?)
You are what I need to hear
to fill the air with memorise breaths
Memorise breaths

>From the valley of the missing
I look so
Gragging party just beginning
With it man
