The Amps - Pacer
(written by Kim Deal)

This is the first track of their album with the same name!

The lyrics are (as always :-)) one big guess...

VERSE:

	C#	F#	C#	G#	
	C#	F#	C#	F#	
	C#	F#	C#	G#	
	C#	F#	C#	F#	

BRIDGE:

	F#	F#	C#	C#	
	F#	F#	G#	G#	
	G#				

At the end of the verse and during the bridge the F# is played higer.
Strum downward using powerchords (you can switch between power and normal
chords, if you want)...

The lyrics... (sort of):

=====

Now I lie take it back
I want to go to the other side
Just to think you were just passing by
Riding around
Spend my eye
Just to think you were just passing by

We were high to high
Reason why
You broke a case
Just to
Just to ve kid never learned to ride(?)

Now I ride take it back
I ride to go to the other side
Just to think you were just passing by

We were High to high
Reason why
You broke a case(?)
Just to
Just to ve kid never learned to ride(?)

Now my wheels are off the ground
They keep spinning round
Just to think you were just passing by
Now my life take it back
Go to the other side
Just to think you were just passing by

More songs will follow!
