

Envy Green
The Arcadian Wild

[Intro]

F Bb A F A

[Chorus]

F **Bb** **Eb**
Envy green grow in ivy vines that hold me,
F
Up they go
Bb **F**
Past the collar bones and freckles on my nose

[Post-Chorus]

F **Bb** **Eb**
Higher higher til the words I tell myself are covered
F **Bb Gb**
Envy Green

[Verse]

C **F** **Dm**
The trees with their branches reach for something higher
C **F** **Dm**
The tips of my fingers always think there s something better
Something more
G
Something worth longing for

C **Dm**
The stars mark the sky and separate the seasons
C **Dm**
Day brings a greater light to set apart the mornings from the nights
C
Back and forth they fight

Am
Oh Oh Oh
Dm
Caught up in the wonder
Am
Oh

G
Of what they being better
Am
When my deepest darkest blue
F **C**
and the gold that paints your sky collide
Bb

The garden comes to life

[Chorus]

F **Bb** **Eb**
Envy green grow in ivy vines that hold me,
F
Up they go
Bb **F**
Past the collar bones and freckles on my nose
F **Eb** **Dm** **Db**
Higher higher til the words I tell myself are covered
F **Bb** **Dbm**
Envy Green

[Verse]

C
The secret inside of me
F
Is sick of silence
C **F** **Dm**
It s calling from hollow for a greater since of purpose
There s more
F
More we re intended for
Am
Oh Oh Oh
Dm
Caught up in the wonder

Am
Oh
G
Of what they being better
Am
When my deepest darkest blue
F **C**
and the gold that paints your sky collide
Bb
The garden comes to life

[Chorus]

F **Bb**
Envy green grow in ivy vines that hold me,
F
Up they go
Bb **Db** **F**
Past the collar bones and freckles on my nose
Dm **Db**
Higher higher til the words I tell myself are covered
F **Bb** **Db**
Envy Green

[Verse]

A **Bb**
What if we could take a taste of the maybe

F **A** **F**
Beyond what s been known and been named

A
Bitter sweet we re blooming forth from the envy

F
There s freedom in the wisdom

A **Gbm** **A**
But from the bite Eve lost Her Eden

Am
Oh Oh Oh

Dm
Caught up in the wonder

Am
Oh

G
We all wear this scarlet letter

Am
It is written in our face

F **C**
And the fault is when our stars collide

Bb
The garden will grow wild

[Chorus]

F **Bb**
Envy green grow in ivy vines that hold me,

F
Up they go

Bb **F**
Past the collar bones and freckles on my nose

Gm **F**
Higher higher til the words I tell myself are covered

F
Envy Green

Bb Gb
Envy Green

F **Bb Bbm**
Envy Green

C **F**
The trees with their branches reach for something higher

C **F**
The tips of my fingers always think there s something better
