**The Ark**

Tabbed by Mcfly

**B**  
Moves I like to make em, grooves I like to shake em

**E**

**F# G#m Ebm G#m**  
Cause sometimes you ll find that I m out of my mind

**F# E B**  
You see baby I m the worrying kind

Words I d like to break em, words I like to shake em

**E**  
Shake em from my troublesome mind

**F# G#m Ebm G#m**  
And you turn up your nose, it s a joke you suppose

**F# E B**  
But baby I m the worrying kind

(Bridge)

**G#m**  
So if you see me somewhere with that glassy old stare

And the panic and fear in my eyes

**F#**  
Don t call for first aid or the fire brigade

**G#m A**  
Or the local police cause they won t care

**E B**  
I m just a silly old boy with my head in the can

**C#m B**  
Just a mortal with potential of a superman

**F#**  
But what sense does it make when I feel like a fake

**F#**  
When I m saying to you all be good for goodness sake

(Chorus)

**B**  
Words I like to break em, words I d like to shake em

**E**  
Shake em from my troublesome mind

**F# G#m Ebm G#m**  
And why heaven knows, it s a joke I suppose

**F# E B**  
But baby I m the worrying kind

(Instrumental)
