

All Souls Day
The Ataris

Enjoy! (And please Kris Roe, for the love of God, finish Graveyard Of The Atlantic!)

[Intro]

D
You said you wanted to be loved

I think you wanted to be saved
Bm
But tell me how am I supposed to save a girl like you
G
When I don t even know how to save myself

Wish I could just forget

The double lives the awkwardness
A
A union scarred by bitterness

A house was built on top of our regrets

[Verse]

D
There we were in California
Bm
Two tarnished golden hearts

Were we ever really together
G
Or just afraid of being apart

Wish I could drive all night

Wake up in the harsh day light
A
In a different town start a brand new life

And never have to see your face again

[Chorus]

Bm **G** **D**
I wonder if this spell we re under
A

Bm **G** **D**
I wonder if this spell we re under
A
Is ever

[Verse]

G

Like everything that s one big fucking lie

I wish I could turn around

[Chorus]

[Bridge]

[Outro]

Bm **G** **D**
I wonder if this spell we re under

A
Will ever be broken

Bm **G** **D**
I wonder if this spell we re under

A
Will ever

Bm **G** **D**
I wonder if this spell we re under

A
Will ever be broken

Bm **G** **D**
I wonder if this spell we re under

A
Is ever going to end

Bm **G** **D**
I wonder if this spell we re under

A
Will ever be broken

Bm **G** **D**
I wonder if this spell we re under

A
Is ever

Ever going to end
