D **A**
Today I m missing something
Bm **A** **G**
In this small New England town
G
Here s to you my best friend
A
I just wanted to say that I miss having you around
D **A**
I m starring at your pictures
Bm **A** **G**
And dreaming that I could hold your hand
G
We would walk down to the ocean
A
And I would write your name in the sand

Bm **A** **G**
They say sometimes you need some time apart
D **A**
But I ve got a bad case of broken heart
Bm **A** **G**
You re the only one whose got the cure
A
And I can t live another day without seeing you smile

D **A**
2000 miles between us
Bm **A** **G**
and I guess that I m the one to blame.
G
relationships and heartaches,
A
these two things are one and the same.
D **A**
the radio plays a love song.
Bm **A** **G**
I smash my fist right through the dial.
G
here s to the broken hearted.
A
a generation born in denial.
