The Ataris

This song sounds pretty good when played acoustically. Its fairly simple too.

Just tune your guitar down half a step or just don t play along with the track, eithers good.

Here in this diary,
A **D** **F#m** **E**
I write you visions of my summer.
D
It was the best I ever had.
F#m **E**
There were choruses and sing-alongs,
A **D**
and that unspoken feeling.
F#m **E** **D**
Of knowing that right now is all that matters.
F#m **E** **A**
All the nights we stayed up talking
D **F#m** **E**
and listening to 80 s songs;
D **F#m**
quoting lines from all those movies that we love.
E **A** **D** **F#m** **E** **D**
It still brings a smile to my face.
Bm **D**
I guess when it comes down to it...

Chorus

F#m **E** **A** **D**
Being grown up isn t half as fun as growing up
F#m **E** **D**
These are the best days of our lives.
F#m **E**
The only thing that matters

A **D**
is just following your heart
 F#m **E** **D**
and eventually you ll finally get it right.

F#m **E** **A** **D**
Being grown up isn t half as fun as growing up
F#m **E** **D**
These are the best days of our lives.

F#m **E**
The only thing that matters
 A **D**
is just following your heart
 F#m **E** **D**
and eventually you ll finally get it right.

Theres some bits in this last chorus where theres more emphasis, just play

i think its pretty fun to play.
