Falling Down
The Audreys
Intro

C G F G F G C

C G F G
I spent a night in your town in a rundown hotel room

C G F G
Cars sure were big enough to carry me

C G F G
I spent a night in your town couple fighting in the next room

C G F G
Folks sure were sweet enough to let me be

Am G Em F
But I could pass through your town every other day

Am G Em F
And it wonâ€™t change a thing wonâ€™t make you turn my way

C G F G
To you Iâ€™m a dream that faded with the daylight

C G F G C G F G
A promise made after midnight a thousand prayers for a lost cause

F G C G
Snow falling down on snow

C G F G
I was at a bar in your town while your friends All made excuses

C G F G
And the lights were low enough to cover me

C G F G
In a tiny bar in your town notes were drifting on an old tune

C G F G
Just another sweet sad song to set me free

Am G Em F
But I could pass through your town every other day

Am G Em F
And it wonâ€™t change a thing wonâ€™t make you turn my way

C G F
To you Iâ€™m a dream that faded with the daylight

C G F G C G F G
A promise made after midnight a thousand prayers for a lost cause

F G C
Snow falling down on snow

F G Am G
I get let down and I get fooled around

F G
And thatâ€™s hardly going to change

F **G**
From one night in your town

C **G** **F** **G** **F** **G**
To you Iâ€™m a dream that faded with the daylight

C **G** **F** **G** **C** **G** **F** **G**
A promise made after midnight a thousand prayers for a lost cause

F **G** **C** **F** **G** **C**
Snow falling down on snow, snow falling down on snow

F **G** **C**
You donâ€™t love me and you never will.
