

Another Is Waiting

Tuning: Standard

[Verse]

G **Em**
It s a fake, it s a hoax
Bm **D**
It s a nowhere road where no one goes
G **Em**
Anywhere, anyhow
Bm **D** **C**
Where you follow when your heart rate down
G **Em**
She s a rose, she s a queen
Bm **D**
But she s starin at a magazine

In the dark, on the path
Bm **D** **C**
Where they doctor every photograph

C **G**
Another is waiting
C **G** **D** **C**
She isn t saying anything
G **Em**
If you care, if you like
Bm **D**
Well, I m standing in the lantern light
G **Em**
With our weapons and our love
Bm **D**
And I use them both to cover up
C **G**
Another is waiting
C **G** **D** **C**
She isn t saying anything

Em **Bm**
But I love you and I care
