[INTRO PART]

Note

If you want to add ornamentals, when switching from the G chord to the C chord, strum

```
e |-----|
B |-----|
G |-----|
D |-0h2--3-----|
A |-----|
E |-----|
```

and for the intro part, slide up to 4 from the 2 position for both the D and G strings.

If you need any help, just listen and watch the YouTube video because it s Scott practicing it solo in from of the camera.
