[Verse]

G                    A                    D  
I ve seen the way you deal with things  
G                    A                    D  
The troubles that this life will bring  
G                    A                    D                    G  
If it gets to you then I can tell by the way you sing  
G                    A                    D  
You act like it just doesn t mean a thing

[Chorus]

G                    A                    D                    G  
I see you dancin all your, dancin all your, dancin all your daze  
G                    A                    D                    G  
Maybe you can tell me how it is you got that way  
G                    A                    D                    G  
Dancing all your, dancing all your, dancing all your daze  
G                    A                    D  
Come on, come on, that s got to be the way

[Verse]

G                    A                    D  
There s all these things that get me down  
G                    A                    D  
This dirty world is full of clowns  
G                    A                    D                    G  
They ll build you up just so they can tear you down  
G                    A                    D  
Laugh at you while you re there on the ground (But not you ...)

[Chorus]

G                    A                    D                    G

I see you dancin all your, dancin all your, dancin all your daze  
**G** **A** **D** **G**
