I went on the search for something true
D   D/C#   D/B   A   G   A
I was almost there when I found you
D   D/C#   D/B   A
Sooner then my fate was wrote
G   A
A perfect blade, it slit my throat
   D   D/C# D/B   A   G   A
And beads of lust released into the air
     G   A
When I awoke you were standing there

Tag 1: **D   D/C#   D/B   A   G   A**   x2

D   D/C#   D/B   A   G   A
I was on the mend when I fell through
   D   D/C#   D/B   A   G   A
The sky around was anything but blue
D   D/C#   D/B   A
I found as I regained my feet
     G   A
A wound across my memory
      D   D/C#   D/B   A   G   A
That no amount of stitches would repair
    G   A
But I awoke and you were standing there

Tag 2: **D   A/C#   G   A   D**

```
            D         D/C# D/B   A       G                 A
There s no fortune at the end of the road that has no end
              D         D/C#    D/B
There s no returning to the spoils
A         G                       A
Once you ve spoiled the thought of them
            D         D/C#    D/B
There s no falling back asleep
  A         G                 A
Once you ve wakened from the dream
        D         D/C#    D/B    A
Now I m rested and I m ready,
    G               A
I m rested and I m ready to begin

D     D/C#     D/B     A     G

I m ready to begin

D       D/C#    D/B         A       G      A
I went on the search for something real
D       D/C#    D/B    A    G              A
Traded what I know for how I feel
          D         D/C#    D/B        A      G
But the ceiling and the walls collapsed
                    A
Upon the darkness I was trapped
    D       D/C#    D/B        A          G   A
And as the last of breath was drawn from me
    G                   A
The light broke in and brought me to my feet
