

**Head Full Of Doubt, Road Full Of Promise**  
**The Avett Brothers**

Intro 2x: G D C Em

There s a darkness upon me that s flooded in light  
In the fine print, they tell me what s wrong and what s right  
And it comes in black, and it comes in white  
And I m frightened by those who don t see it

Where nothing is owed, deserved or expected  
And your life doesn t change by the man that s elected  
If you re loved by someone, you re never rejected  
Decide what to be, and go be it

Refrão:

There was a dream that one day I could see it  
Like a bird in a cage I broke in and demanded that somebody free it  
And there was a kid with a head full of doubt  
So I ll scream till I die or the last of those bad thoughts are finally out
