

Head Full Of Doubt, Road Full Of Promise
The Avett Brothers

Intro 2x: G D C Em

There s a darkness upon me that s flooded in light
In the fine print, they tell me what s wrong and what s right
And it comes in black, and it comes in white
And I m frightened by those who don t see it

Where nothing is owed, deserved or expected
And your life doesn t change by the man that s elected
If you re loved by someone, you re never rejected
Decide what to be, and go be it

Refrão:

There was a dream that one day I could see it
Like a bird in a cage I broke in and demanded that somebody free it
And there was a kid with a head full of doubt
So I ll scream till I die or the last of those bad thoughts are finally out
