It Goes On And On The Avett Brothers

I caught my tears in your arms

```
Verse 1:
          Am
I lost my fear in your arms
I lost my tears in your car
          Am
                       Dm
I lost my will in your candle lit eyes
                         Dm
           Am
And all my love in your yard
PreChorus:
Вb
Baby would you leave me if you knew that I was making it up?
And underneath the love you got to wonder am I giving you up?
   F7
          Bb C
No way am I
Chorus:
       \mathbf{B}\mathbf{b}
It goes on.
Verse 2:
Violent is the motion in my heart and in my body and mind.
