

Please Pardon Yourself
The Avett Brothers

capo 2

G **C** **G**
as I turned my head to your side of the bed...

G **C** **G**
why are you awake? Whatâ€™s on your mind

G **C** **G**
to this awful news try not to hold on

G **C** **G**
the day will come the sun will rise and we ll be fine

G **C** **G**
As long as I feel as strong as I feel

G **C** **G**
I will carry you as long as I can

G **C** **G**
As hard on yourself, please pardon yourself

G **C** **G**
Do the best you can and that won t go unseen

G **C**
How do I know when its time to stop

D
Runnin from the things I do, Bein things I m not

C **G**
Oh I have tried, but I just changed my mind

D **C** **G**
Every night befalls every morning light

G **C**
How do I know that you will never stop

D
Knowing me and trusting me, loving me alot

C **G**
Oh I have tried, but I just changed my mind

D **C** **G**
Every night befalls every morning light

G **C** **G**
Well there s only so many ways

G **C** **G**
You can give your loving to me

D **C** **G**
But I d give my soul for just one of them now

D **C** **G**
I d give up the drinkin , just tell me how

(Repeat chords from last 4 lines)
And there s only so many years
I can give my love to you
And I spent the last one hidden away
Screaming my lungs out, nothing to say

(repeat first verse)
