Pretty Girl From Annapolis

Capo II

(V1) Oh don t you look at me that way
I would be honest
But I don t know how to say
I ve been lazy with my love
Can t you give me a chance
To make it up to you

(V2) I m always chasing some far-off dream
My lady, I know it s not easy
For you to see
But I lie to myself
And your loveliness, no it doesn t help
no, your beautiful smile don t help

(Chor) My dreams are lies
That I have tried to ignore
My dreams fly me
To a place near Baltimore

(V3) And I love this moment we re in
Though we may not ever see this
Moment again
May you find all that you need
An easy way to forget about me
May you forget about me

Chorus

(V4) If I don't make it to the spring
May you find the joy that a melody brings
Through my dear brother's
ragged six-string
Singing the songs we're embarrassed to sing
May you never be embarrassed to sing

Chorus
