

Pretty Girl From Cedar Lane
The Avett Brothers

The other version is most certainly not right, so here is a closer one at least. STANDARD TUNING

Inrto x 2: **G B7 C D7** (end on a final G strum before the pause for verse)

G B7 C D7
I had a moment when I thought I might be wrong,
G B7 C D7
But Ashley how could it be?
G B7 C D7
I waited on the rooftop all night long,
G B7 C D7
But you weren t coming for me.
B7 C
And now I m sitting here like a mixed up little kid
B7 C
You said you wanted me but you never did
G B7 C D7
There was a moment I thought our love was strong,
G C G
But now that moment is gone.

G B7 C D7
I could stand right underneath the window of your room,
G B7 C D7
Throwing rocks I ve done it before
G B7 C D7
And I would love to find a reason to dazzle you with lies,
G B7 C D7
But I don t have the energy no more.
B7 C
And you never promised anything that you didn t give,
B7 C
I assumed that you d say yes but you never did.
G B7 C D7
There was a moment my love for you was strong,
G C G G C
G
but now that moment is gone. Now that moment is gone.

G, C (strum each chord a few times fast and hard before the lines with just vocals)

I saw you behind the camera whispering
C G C G C
C
to your friends and watching me

C

I fell in love with you there was proved the

C G C G C C

fool that I can often be

C G C G C (This hard strumming

C, G pattern continues for a while,

you will have to listen to get this down cause.

Below is the little horn thingy that s playing over the middle C,G stuff

G B7 C D
I had a moment when I thought I might be right,

G B7 C D

But Ashley how could it be?

G B7 C D

I drank your sherry bourbon thinking you might come around,

G B7 C D

There ain t no one on this rooftop but me.

B7 C

And now I m sitting here like a mixed up little kid,

B7 C

You said you wanted me but you never did.

G B7 C D

There was a moment my love for you was strong,

G C G

But Ashley that moment is gone

G C G F#/G

Ashley that moment is gone.

Em C G

Now that moment is gone.

That should be pretty damn close. I may have misplaced a chord name here or there but follow the pattern of the rest if I messed up. It is a pretty simple, and awesome, song. Enjoy.
