Capo I

[C]Salina, Iâ€™m as [F]nowhere as [G]I can [C]be  
Could you [F]add some [G]somewhere to [C]me  
Ah [Am]Kansas Iâ€™m [F]kneeling, ah [G]Kansas [C]please

Cleveland, I ainâ€™t never felt nothing so strong  
Been believing the words to my songs  
Ohio Iâ€™m leaving, Ohio Iâ€™m gone

[F]From town to town and state to state  
Thereâ€™s people everywhere that try to [C]capture us  
[F]We stole the cash and left our names  
And almost slipped in Indiana[C]polis  
The rain it [Am]fell, the story went [C]on  
The rain it [Am]fell, and we got [C]gone [G]

Poughkeepsie, hang up the telephone  
Wonâ€™t answer your phone calls no more  
New York quit callinâ€™, New York leave me be

Changing the plans that Iâ€™ve been setting on  
Iâ€™m scared by the way that my life is getting gone  
Carolina one day Iâ€™ll, someday Iâ€™ll come home  
Carolina one day Iâ€™ll, someday Iâ€™ll come home
