The Avett Brothers

Stolen from AvettBrothersTabs.com

In no way do I take credit for this. I m simply posting it on a more popular site.

Intro:

G Bm G Bm

Verse:

G Bm G
It s the place and your friends that got me down
Bm G
Telling me I should not hang around
D C G
There s a sign in the window
D C G
Telling me I ve got to go

D
Uh uh uh
C

G Bm
I see the signs every day
G Bm G
In your face and in the way that you act
D C G
It s not that that hurts my pride
D C G
Now I see the other side of you
D C G
The side that won t let down the side that wont let go

Solo:

Not Yet :/

Verse:(Repeat)

Didn t mean for me to see
the things I see in you and me
Now I know that we can live together
The way I want to live free forever

It s also fun to fingerpick the top 3 strings as opposed to strumming the entire chord. Would sound nice on a banjo or mandalin, but this works fine:

G

Bm
