

**Standing With You**  
**The Avett Brothers**

Artist: The Avett Brothers

Song: Standing with you

Tuning: Capo 2

Verse 1

**G** **Am**  
Well its been a pretty rough couple of years  
**Em**  
but I think things will change for us  
**G** **Am**  
and I always will put you before me  
**Em** **C**  
unless of course its dangerous

Chorus

**G** **Am**  
Standing with you standing with you  
**Em** **C**  
I might miss the rhythm but im catching the tune  
**Em** **D/F#** **G**  
and that s pretty good for me

Verse 2

**G** **Am**  
Well I told you I won t make the same mistakes again  
**Em**  
but you know I probably will  
**G** **Am**  
and so many nights go by in a flash  
**Em** **C**  
like a camera without any film  
**G** **Am** **Em** **C**  
but we don t need to remember every single moment we ve had  
**G** **Am** **Em** **C**  
and I don t need understanding for every single moment I ve had

Chorus

**G** **Am**  
As long as im standing with you standing with you  
**Em** **C**  
I might miss the rhythm but im catching the tune  
**Em** **D/F#** **G**  
and that s something for me  
**G** **Am**  
And ill be walking with you walking with you  
**Em** **C**  
I might miss the meaning but im catching the truth

**Em D/F# G**  
and that s pretty good for me

Ending

**G Am**  
well its been a pretty rough couple of years

**Em D/F# G**  
but I think things will change for us

**G Am**  
and its been a pretty rough couple of years

**Em D/F# G**  
but I think things will change for us

This is 100%. I love feedback, so let me know what you think and whether or not this is helpful. I couldn t find any notation for this song already posted, so I went ahead and did it myself. This is a great song from a phenomenal band.
