Tear Down the House
Second Gleam

G **G/F#**
Tear down the house
C **G**
That I grew up in
G **D** **C** **G**
I ll never be the same again
G **G/F#** **C** **G**
Take everything that Iâ€™ve collected
G **D** **G**
And throw it in a pile

G **G/F#**
Bulldoze the woods
C **G**
That I ran through
G **D** **C** **G**
Carry the pictures of me and you
G **G/F#** **C** **G**
I have no memory of who I once was
G **D** **G**
And I don t remember your name

G **G/F#**
Park the old car
C **G**
That I love the best
G **D** **C** **G**
(The) inspections due and it wonâ€™t pass the test
G **G/F#** **C** **G**
Itâ€™s funny how I have to put it to rest
G **D** **G**
And how one dayâ€¦I will join it

G **G/F#** **C** **G**
I remember crying over you
G **D** **C**
And I don t mean like a couple of tears
G
And I m blue
G **G/F#**
Iâ€™m talkinâ€™ about collapsing

C G
And screaming at the moon

G D
But I m a better man

C G

G G/F# C G

To say what I mean

D G
To say what I mean

G G/F#
Tear down the house

C G
That I grew up in

G D C G
I ll never be the same again

G G/F# C G
Take everything that I used to own

G D G
And burn it in a pile

G G/F#
And, bulldoze the woods

C G
That I ran through

G D C G
Carry the pictures of me and you

G G/F# C G
I have no memory of who I once was

And I don t remember your name
