G **C** **G** **Em**
Well your hair fell on me like I dreamt that it would
 C **D** **G**
When I dreamt your hair was long
G **C** **G** **Em**
Through the linens a moment of clearness shown through
 C **D** **G**
In a minute the clearness was gone

G **C** **G** **Em**
When to know what I should for my heart to rest
 C **D** **G**
Doesn't meet with the actions I make
G **C** **G** **Em**
I will seek the approval of no one but you
 C **D** **G**
In love for the changes I take

Em **C**
The first time we fell for it
G **Em**
We blamed it on youth
Em **C**
And now we get hell for it
G **Em**
And blame it on truth

C **G**
Of mind, oh my
C **G**
Of mind, oh my
C **G**
Of mind, oh my
