Tuning: Standard

G **Am** **C** **D**
I think I dreamed you, again last night
G **Am** **C** **D**
I hope wherever you are, things turned out right
Em **G** **Em** **G**
But it s never the same, when you lose and you gain
C **D**
I see the truth now
C **D**
I see the truth now
C **D**
I just want to hold you
C **D**
I should have told you
C **D**
We are in love

We are in ...

G **Am** **C** **D**
You tan stomach; and that mole on your lip
G **Am** **C** **D**
We could a had it all in one time; if I didn t slip
G **Am** **C** **D**
Trip on my words; and land on my heart

C **D**
I see the truth now
C **D**
I see the truth now
C **D**
I just want to hold you
C **D**
I should have told you
C **D**
We are in love

We are in ...

G **Am**
The road can be cold
C **D**
And it s always long
G **Am**
The sermon I whisper these days
C **D**
Are the words to a song
G **Am**
Are you in the old town
C **D**
Are you buckled in?
Em **G**
It s not the same
Em **G**
Our lives are not the same

C **D**
I still want to hold you
C **D**
I should have told you
C **D**
We are in love

We are in ...

G **Am**
Love is on it s way
C **D**
The dying wish of Marvin Gaye
G **Am** **C**
Michelle I know you ll understand
D **C** **G**
The answers in your hands
D **C** **G**
The answers in your hands

C **G**
in your hands
C **G**
in your hands...
