

The New Love Song
The Avett Brothers

This song is beautiful and I am going to give you the chords. I would tab it, because I have all of the licks that are built around the chords figured out, but tabbing is so much more of a pain in the ass. I will tab the main lick thing where there is no singing. The rest will just be chords.

STANDARD TUNING. CAPO 2 ACCENT THE BASS NOTES OF EACH CHORD. THAT IS IMPORTANT FOR THIS STYLE OF COUNTRY-FOLK STUFF.

[Chords]

	G	G/F#	Em	Em/B	C	D/F#	
e	--3---	3---	0---	0---	0---	2-----	
B	--3---	3---	0---	0---	1---	3-----	
G	--0---	0---	0---	0---	0---	2-----	
D	--0---	0---	2---	2---	2---	0-----	
A	--2---	x---	2---	2---	3---	x-----	
E	--3---	2---	0---	x-----	2-----		

[PS] This might seem weird since so few words are sang over so many chords, so just listen to the song its very easy (and beautiful). The chords will not be over the lyrics in the right spot.
