Yes, I know the lyrics aren't quite right. But you'll get the idea.

[Verse 2] (Use chords from first verse).

Once I was a carpenter, man my hands were calloused
I could swing a metal mallet sure and straight
But I took to the highway, a poet young and hungry
and I left the timbers where they lay

Forever I will move like the world that turns beneath me
 C **Am** **G**
and when I lose my direction I'll look up to the sky
 F
and when the black cloak drags upon the ground
 Fm **C**
I'll be ready to surrender, and remember
 Am **G**
well we're all in this together
 F **Fm**
If I live the life I'm given, I won't be scared to die

[Verses 3+4] (Same as first two.)

C **Am** **G**

Dropped into a slot with dreams of sevens close behind
And hope and fear go with it, and moon and the sun go spinning
Like the numbers and fruits before my eyes
