TIN MAN

INTRO

G

(**G**) You can't be like me

But be (**Am**) happy that you can't

I see (**Am**) pain but I don't feel it I am (**C**) like the old tin (**G**) man

I'm as (**G**) worn as a stone

I keep it (**Am**) steady as I can

I see (**Am**) pain but I don't feel it I am (**C**) like the old tin (**G**) man

(**Am**) I miss it

(**C**) I miss it

(**G**) Oh, I miss that (**D**) feeling of (**C**) feeling

I (**G**) used to fill the sky around with (**Am**) happiness and joy

I had (**Am**) news to give the wind to keep my (**C**) sails and heart (**G**) employed

I felt (**G**) people move around me

I felt (**Am**) loneliness and shame

Back then (**Am**) every day was different now each (**C**) moment is the (**G**) same

(**Am**) I miss it

(**C**) I miss it

(**G**) Oh, I miss that (**D**) feeling of (**C**) feeling (X2)

The (**D**) feeling of (**C**) feeling

The (**G**) wind upon my face

And (**Em**) caring what it brings this (**Am**) way

The (D) feeling of (C) feeling

The (G) minutes pass away

And (Em) caring what I do with (Am) them

(Bm) Maybe bring me love or something (C) else

Fill: **C B C D E D E F# G**

(G) And so it goes a man grows cold

Some would (Am) say a man grows strong

They say (Am) life only grows short

I say the (C) road only grows (G) long

But as (G) long as there s a road

My feet will (Am) never touch the ground

And if (Am) you won t give my heart back I ve no (C) need to stick (G) around

(Am) I miss it

(C) I miss it

(G) Oh, I miss that (D) feeling of (C) feeling (X2)

The (D) feeling of (C) feeling

The (D) feeling of (C) feeling
