**C**            **Am**            **F**  
I ve got something to say  
              **C**            **Am**            **G**            **F**  
But it s all vanity, it s all vanity  
**C**            **Am**            **F**  
I found a tune I could play  
              **C**            **Am**            **G**            **F**  
But it s all vanity, it s all vanity

**G**            **C**  
Call off the guards  
**G**            **C**  
Call off the search  
              **G**            **Am**  
Their heads are chopped off  
              **F**            **G**  
They re running in circles  
              **G**            **C**  
They re running in circles

**C**            **Am**            **F**  
I have a plan for the day  
              **C**            **Am**            **G**            **F**  
But it s all vanity, it s all vanity / (I ve got)  
**C**            **Am**            **F**  
love pouring out of my veins  
              **C**            **Am**            **G**            **F**  
But it s all vanity, it s all vanity

**G**            **C**  
Call off the guards  
**G**            **C**  
Call off the search  
              **G**            **Am**  
Their heads are chopped off  
              **F**            **G**  
They re running in circles  
              **G**            **C**  
They re running in circles

**C**            **Am**            **F**  
I ve got something to say

**C**            **Am**            **G**            **F**  
But it s all vanity, it s all vanity / (I ve got)

**C**            **Am**            **F**  
love pouring out of my veins

**C**            **Am**            **G**            **F**
