

**Weight Of Lies**  
**The Avett Brothers**

My second tab, it might be wrong, but it sounds pretty good

**A A/G# F#m E D** intro 2x

Verse is the same descending chord progression: **A A/G# F#m E D** 4x

Chorus is: **A D Bm E, A D E** 2x

That s pretty much the whole thing

Intro:

**A A/G# F#m E D** 2x

Verse:

**A** **A/G#**  
Disappear from your hometown  
**F#m** **E** **D**  
Go and find the people that you know  
**A** **A/G#**  
Show them all your good parts  
**F#m** **E** **D**  
Leave town when bad ones start to show  
**A** **A/G#**  
Go and wed a woman  
**F#m** **E** **D**  
A pretty girl that youâ€™ve never met  
**A** **A/G#**  
Make sure she knows you love her well  
**F#m** **E** **D**  
But donâ€™t make any other promises

Chorus:

**A** **D**  
The weight of lies will bring you down  
**Bm** **E**  
And follow you to every town  
**A** **D** **E**  
Cause nothing happens here that doesnâ€™t happen there  
**A** **D**  
So when you run make sure you run  
**Bm** **E**  
To something and not away from  
**A** **D** **E**  
Cause lies donâ€™t need an aeroplane to chase you anywhere

Verse:

I once heard the worse thing  
A man could do is draw a hungry crowd  
Tell everyone his name, pride, and confidence

But leaving out his doubt  
Iâ€™m not sure I bought those words  
When I was young I knew most everything  
These words have never met so much to anyone  
As they now mean to me

Chorus:

The weight of lies will bring you down  
And follow you to every town  
Cause nothing happens here that doesnâ€™t happen there  
So when you run make sure you run  
To something and not away from  
Cause lies donâ€™t need an aeroplane to chase you down
