

## Guess Again

### The Bacon Brothers

I just head this song and searched all over for a decent chart. I couldn't find one so here is my interpretation of this terrific tune.

Enjoy.

**Cm** **Bb**  
You see we booked this downtown cabaret my brother and the boys

**G#** **Cm**  
We came to sing some rock and roll and make a little noise

**Cm** **Bb**  
But the audience ignored us no matter what we played

**F** **G#**  
... We tore our souls apart ... and I sang out my heart

**D7** **BREAK**  
... They laughed and turned away

**F** **Eb**  
But then we sang this very tune a-bout my dreams that don t come true

**Bb** **F**  
... whoa, their jaws just dropped ... and you know the laughing stopped

**F** **G#**  
They seemed to hang on every word like the finest song they d ever heard

**Bb** **C**  
They rose as one and roared their love the angels joined in from above

**Dm** **Bb**  
We saw the light we found the cure an end to hate ... an end to war

**D7** **BREAK and BANTER**  
... The crowd called out for more

**G** **Am**  
Guess a-gain! Must have been dreamin
