

Ashes Of My Heart
The Bad Examples

This is probably the best Beatles song that was not written by Lennon-McCartney.

(VERSE 1)

NC

It s getting to the

C

point,

D G

Where I, no longer know

C

Exactly what to do

D

or say

G

A new disaster threatens every

Em

day that I stay

Bm

here with you

A

Trying to start a fire

Am

Where there used to be a fire burning

C D Em

Here in the ashes of my heart

(VERSE 2)

C

And all you really need

D

Is that

G

I give you everything

C

I used to give

D

you back

G

when giving everything was easy

Em Bm

Yesterday I loved you

A

Now I m trying to start a fire

Am

Where there used to be a fire burning

C **D** **Em**

Here in the ashes of my heart

G D C~D

I m sick and tired

G D C~D

Of being sick and tired

(pre-BRIDGE)

A

We both admit we re losing hope

Am

I love you but I don t suppose

C **D** **Em**

It really makes a difference if I say

(VERSE 3)

It s getting to the

C

point

D

Where I

G

now disregard the feelings that you

C

share

D

I know

G

that you deserve much better than this

Em

Em

fumbling cartoon character

A

Trying to start a fire where there

Am

used to be a fire burning

C **D** **Em**

Here in the ashes of my heart

G D C~D

I m sick and tired

G D C~D

Of being sick and tired

(pre-BRIDGE)

A

We both admit we re losing hope

Am

I love you but I don t suppose

C **D** **Em**

It really makes a difference if I say

(BRIDGE)

(Em) C

I don't know what to feel now

Em C

There's nothing left that's real now

Em

Tell me -

A

We fell in love together

Am

Spent so many years together

C D **Em**

Why must we fall out of love alone?

(GUITAR SOLO)

(VERSE 4)

It's getting to the

C

point

D G

Where I no longer know

C D

Exactly what I want or need

Em

This hurricane's inside me

Em

And I'm sorry but I can't go on

A

Trying to start a fire

Am

Where there used to be a fire burning

C D **Em**

Here in the ashes of my heart

(OUTRO)

G D C~D

I'm sick and tired

G D C~D

Of being sick and tired

So damn sick of all this
