**D** **F**  
Fortune up and left me on the hotel floor  
**D** **F**  
Well you know she never paid me no mind  
**D C Bb A G**  
I was lying in the corner making eyes at the door  
They say it s good to start the story with a tragedy

The day I finally met you like I knew I would  
**D** **F**  
You raised me from the wreck of my doubt  
**D C Bb A G**  
You were smiling to yourself as if we both understood  
The silent language of the anguish of a heart that sings but doesn t make a  
sound

[Chorus]

**Bb F**  
What did I do to deserve you?  
**D**  
How did you find me?  
**F A7**  
I was already halfway gone  
**Bb**  
You were a bright light  
**F A7**  
You were a fistfight, oh

[Verse]

**D** **F**  
 Nobody told me all the patience it takes  
**D** **F**  
 For the sky to open up around me  
**D C Bb A G**  
 They said love is grabbing blindly at a pit full of snakes  
 And wait to feel the only heel among the rows of all the venomous teeth

[Chorus]

**Bb F**  
 What did I do to deserve you?  
**D**  
 How did you find me?  
**F A7**  
 I was already halfway gone  
**Bb**  
 You were a bright light  
**F A7**  
 You were a fistfight, oh

[Bridge]

**Bb F**  
 Our love is older than the great wall  
**Dm7 F A7**  
 Our love spins a gun around its finger  
**Bb F**  
 Our love has found its way into our mouths before  
**Dm F A7**  
 Cut our teeth until we swallow it whole  
**Bb F G7**  
 Our love hums low beneath the floorboards  
**Dm F A7**  
 Our love grows flowers in the winter  
**Bb F**  
 Our love has found its way onto our tongues before  
**Dm F7M**  
 There is more so take a bite and let it linger

[Chorus x2]

**Bb F**  
 What did I do to deserve you?  
**D**  
 How did you find me?  
**F A7**  
 I was already halfway gone  
**Bb**

You were a bright light

**F** **A7**

You were a fistfight, oh
