

Lasso

The Band Perry

Intro: **G D Dsus D C** (x2)

(note that some C2 s are added here (lift second finger))

Verse 1:

When I first laid eyes on you **C**
G Well, the night just felt so odd **D C**
You looked at me and the stars lined up **G**
Em D C//
So I thought I d heard from God
And I gave him my best shot

Chorus:

G D C G C G
Loving you was like throwing a lasso around a tornado
C D
I tried to hold on to
G D C G C G
Took a ride on a tilt-a-whirl that sits on top of the world
C D
Man, I thought I could show you
Em7 D C//
I ve always been afraid of flying
C D G (Intro Chords 2x)
But you can t blame a girl for trying

Verse 2:

Felt like a pearl when I was holding your hand **C G**
D C
So precious I forgot
You could have any girl but I only wanted one man **C G**
Em C
And you were everything I m not
Still I gave it my best shot **G**

Chorus:

G D C G C G
Loving you was like throwing a lasso around a tornado
C D
I tried to hold on to

G D C G C G
Took a turn on a high trapeze swinging over the deep
C D
I thought I could show you
Em D C//
I ve always been afraid of flying
C D
But you can t blame a girl for trying

Bridge:

Cadd9 G
Like a vine bends a tree to the ground
D
I won t hold you down
Cadd9
I tried to climb just as high
G D Cadd9
But I found all the clouds touch the ground
Am
In this small town

Instr: **G D C G** x2

End Chorus:

G F C G C G
Took a ride on a high trapeze swinging over the deep
C D
I thought I could show you
G D/F# C
That I ve always been afraid of flying
Am G (Intro Chords 4x)
But you can t blame a girl for trying
C
No, you can t blame a girl.... heeeey
