I tried to hold on to

Lasso

The Band Perry D Dsus D C (x2) (note that some C2 s are added here (lift second finger)) Verse 1: When I first laid eyes on you D C Well, the night just felt so odd You looked at me and the stars lined up D C// So I thought I d heard from God And I gave him my best shot Chorus: C G C D Loving you was like throwing a lasso around a tornado I tried to hold on to G Took a ride on a tilt-a-whirl that sits on top of the world Man, I thought I could show you D I ve always been afraid of flying D **G** (Intro Chords 2x) But you can t blame a girl for trying Verse 2: Felt like a pearl when I was holding your hand D C So precious I forgot You could have any girl but I only wanted one man EmAnd you were everything I m not Still I gave it my best shot Chorus: C G C Loving you was like throwing a lasso around a tornado

G D C G C Took a turn on a high trapeze swinging over the deep I thought I could show you D I ve always been afraid of flying But you can t blame a girl for trying Bridge: Cadd9 Like a vine bends a tree to the ground I won t hold you down Cadd9 I tried to climb just as high But I found all the clouds touch the ground Am In this small town Instr: G D C G x2 End Chorus: F С G C Took a ride on a high trapeze swinging over the deep I thought I could show you D/F# C That I ve always been afraid of flying **G** (Intro Chords 4x) Am But you can t blame a girl for trying

No, you can t blame a girl.... heeeey
