

Time To Kill
The Band

A

The many roads I ve covered

F#

The many trails I ve burned

B

But when our paths did cross, love, whew

E

My whole world made a turn

E

A

And we ve got time to kill

A

E

What a thrill, June and July

D

We ve got all our love

D

E

Buckets of the tears that we cried

A

Now we don t cry no more

D

Gonna bolt the door

E

Don t know what we ve got

D

E

D

A

But it feels like a lot we don t need no more

E

A

When my day s work is done

F#

We can take in a jamboree

B

But I just wanna sit down by the fire

E

With my love right here beside me

E

A

We ve got time to kill

A

E

Catskill, sweet by and by

D

We ve got all our love

D **E**

The sky above, the twinkle in your eye

A

Now where the wheel might roll

D

Is where my love and I shall go

E

We re gonna plant the seed

D

E D A

There ain t nothing we need, we found our own rainbow

E

Instrumental

D

G

D

A

D

G

D A D

E

A

My love wants to have her fortune read

F#

And I know that she s in a hurry

B

If we go along the straight and narrow

E

You don t even have to worry

A

We ve got time to kill

E

Standin still, go on, give it a try

D

We ve got all our love

D **E**

Mountains of, the trees are so high

A

We don t need no big car

D

Don t eat no caviar

E

D

When we come to rest we take to the nest

E

A

You know where we are

E

D

A
