The Band

When I Get My Reward 3/4 Levon Helm
Capo 2

Intro: First four lines instrumental

```
          / D              /                / /  
Oh the / night is so / still, / /  
          / D              /                / /  
Not a / baby will / cry, / /  
          / D              / A                / /  
Not a / chill wind will / blow, / /  
          / A              / D                / /  
Dis - / turbin the / sky. / /  
                / D              /                / /  
But there s / no peace in / me, / /  
          / D              /                / /  
I m / burnin for / you. / /  
          / D              / A                / /  
I m / walkin the / floor. / /  
          / A              / D                / /  
In the / Devil s / shoes. / /
```

Chorus:

```
          / D              /                / /  
When I / get my re - / wards, / /  
          / D              /                / /  
I will / bring them to / you, / /  
          / D              / A                / /  
I shall / ask for your / love, / / and  
A              / D                / /  
Swear mine is / true, / /  
                / D              /                / /  
Will you / cast me a - / side, / / and  
D              /                / /  
See me no / more, / /  
                / D              / A                / /  
How can / I win your / heart, / /  
          / A              / D                / /  
When I / get my re - / wards? / /
```

Break: Last two lines chorus instrumental

```
          / D              /                / /  
They / say that your / hand, / /  
          / D              /                / /  
Can / never touch / mine, / /
```

/ D / A / /
That a / poor boy can t / hope, / /

 / A / D / /
For a / woman so / fine. / /

 / D / / /
But I ll / work till I / fall, / /

 / D / / /
De - / terminated to / win, / /

D / A / /
Driven by / need, / /

 / A / D / /
To / see you a - / gain. / /
