

Yazoo Street Scandal
The Band

Em7

Standin out in the night,

Elizah took me down

To see the Widow give

Rain to the town.

It s against the law

To be a tonic man,

But the Widow know

She s got the upper hand.

B7

So I went on in

Feelin kinda wheezy.

You know she soothed my mind, boys,

A7

She rocked me kinda slow and kinda easy

Em7

All day and all night.

Em7

Em7

Pick a card fore you go--

It s a long trip to Mexico.

Elizah waited by the door,

I can t stay here anymore, no, no.

B7

Then she took a pill

She washed her feet in the mud

She said Look out son,

A7

You know, I just started a flood

For forty days and forty nights .

Then I got my shoes,

And Lizah called my name.

She said it looked to her

Like it s gonna rain.

Then the Cotton King

He came in chokin

And the Widow laughed and said:

I ain t jokin --

B7

Think what you want

She said, Now don t ya tease me.

I just fell in love, boy,

A7

So rock me kinda slow and kinda easy,

All day and all night.

Em7

Sweet William said

With a drunken head:

If I had a boat,

I d help y all float .

Elizah stood there watching

William in a trance,

As the widowed saint done the St. Vitus dance.

B7

But just then an old man

With a boat named Breezy

Said: You can ride with Clyde, boys,

A7

If you rock it kinda slow and rock it kinda easy,

Em7

All day and all night .
