Down by the riverside, it s bound to be a better ride
Than what you ve got planned
Carry your cup in your hand
And look around, leaves are brown now
And the sky is a hazy shade of winter

Hang on to your hopes, my friend
That s an easy thing to say, but if your hopes should pass away
Simply pretend
That you can build them again
Look around, the grass is high
The fields are ripe, it s the springtime of my life

A **E** **Emaj7**
Ahhh, seasons change with the scenery

A
Funny how my memory slips while looking over manuscripts
Of unpublished rhyme
Drinking my vodka and lime
But look around, leaves are brown now
And the sky is a hazy shade of winter

Look around, leaves are brown

There s a patch of snow on the ground...
