Be With You
The Bangles
(intro) Ebm B
               C#
        Ebm
                    В
Out my window the rain starts to fall
And the wind blows through an empty hall
                       в
In the mirror, oo reflections of you
                    G#7
In the distance i hear a sound
F#
Is that you coming around?
(chorus)
Ebm
                                C#
(what you gonna do)
             oh what you gonna do
Ebm
                                     C#
(i think i should)
                   i think i should be with you
Ebm
                                       C#
                                                Ebm
(a love thats over due)
                    a love thats over due
                     C#
Ohh i think i should be with you
Thought i saw you in a strangers face
          Ebm
                                        C#
                                 В
Should i call you, or should i walk away
           Ebm
                       В
Round the corner is around the world
F#
Is that you looking at me
F#
Or am i living a dream?
(chorus)
G#
                           Bb
And when i m lost in a dream you are al i can see
All alone in the night i m waiting for you
```

Every moment i d die, just to look in your eyes

G# FmThe dream is alive i m waiting

Eb/G# G# Bb Eb B C#

Oh my, how i d try to make you see that i should be with you
