Crash And Burn
The Bangles

```
C#               G#
```
LA to Reno, checking out the scene-o
```
C#                  F#       C#            G#
```
Feeling so mean-o, sometimes I wish I could crash and burn
```
C#                     G#
```
Winding through the hot night without my headlights
```
C#              F#       C#            G#
```
20-20 hindsight, sometimes I wish I could crash and burn
```
          F#                            C#
```
Crash and burn and I never ever felt so lonely
```
          F#                   B
```
Crash and burn can t look them in the eye
```
G#
```
Just wanna drive and drive and drive
```
C#           G#
```
Going nowhere, and I don t care
```
C#                        F#      C#            G#
```
Can t wait till I get there, sometimes I wish I could crash and burn
```
         F#                      C#
```
Crash and burn and I never ever felt so lonely
```
          F#                   B
```
Crash and burn can t look them in the eye
```
G#
```
Just wanna drive and drive and drive

{Instrumental: Os mesmos acordes do verso anterior tocado 2x}

```
F#          C#  F#                                 C#7
```
50 60 70 80 90. Gotta be a place where they can t find me
```
B                             G#
```
Watching all those bridges burn behind me

```
C#                  G#
```
And if I can t see whats passing me
```
C#                  F#      C#              G#
```
Nothing can touch me I ll fly I wish I could
```
          F#                            C#
```
Crash and burn and I never ever felt so lonely
```
          F#                     F#m
```
Crash and burn can t look them in the eye
```
G#
```
Just wanna drive and drive and drive
```
C#           G#
```
On my filico, I hear an echo
```
C#                   F#
```
There was a wreck-o, yesterday

```
C#                     G#
And by tomorrow they ll sweep the char-o
C#                        F#
And wash the tar and trouble away
C#                     G# C#                    F# C#                      G#
How I wish I would. How I wish I would. How I wish I could
```
