LA to Reno, checking out the scene-o

20-20 hindsight, sometimes I wish I could crash and burn

Crash and burn and I never ever felt so lonely
Eb **G#**
Crash and burn can't look them in the eye
F
Just wanna drive and drive and drive
Bb **F**
Going nowhere, and I don't care
Bb **Eb** **Bb** **F**
Can't wait till I get there, sometimes I wish I could crash and burn
Eb **Bb**
Crash and burn and I never ever felt so lonely
Eb **G#**
Crash and burn can't look them in the eye
F
Just wanna drive and drive and drive

Watching all those bridges burn behind me

And wash the tar and trouble away
