

Return Post
The Bangles

D7

Writing out lines as they come to me

G7 **D7**

Scratching them out almost immediately

G7 **Eb** **D7**

Don't know what it's done to me

D7

Well it's cold, it's wet, it's been raining all night

G7 **D7**

And there's a letter I've been trying to write

G7 **Eb** **D7**

Something better waiting somewhere for me

G **G7**

And one of them is sitting on the wrong coast

D **B**

One awaits an answer by return post

E **G**

Waiting, waiting, waiting

D7

Try to remember how long it's been

G7 **D7**

Since there was more to us than paper and pen

G7 **Eb** **D7**

Think how easy it is to conceive

D7

And I know when we're together again

G7 **D7**

We'll be strangers for an hour and then

G7 **Eb** **D7**

We'll have to figure out if this thing is real

G **G7**

And one of them is sitting on the wrong coast

D **B**

One awaits an answer by return post

E **G**

Waiting, waiting, waiting

(solo) **D7 G7 D7 E G D7 G7 D7 E G D7**

D7

Cold and wet and rain all night
