

Return Post
The Bangles

Eb7

Writing out lines as they come to me

G#7 **Eb7**

Scratching them out almost immediately

G#7 **E** **Eb7**

Don't know what it's done to me

Eb7

Well it's cold, it's wet, it's been raining all night

G#7 **Eb7**

And there's a letter I've been trying to write

G#7 **E** **Eb7**

Something better waiting somewhere for me

G# **G#7**

And one of them is sitting on the wrong coast

Eb **C**

One awaits an answer by return post

F **G#**

Waiting, waiting, waiting

Eb7

Try to remember how long it's been

G#7 **Eb7**

Since there was more to us than paper and pen

G#7 **E** **Eb7**

Think how easy it is to conceive

Eb7

And I know when we're together again

G#7 **Eb7**

We'll be strangers for an hour and then

G#7 **E** **Eb7**

We'll have to figure out if this thing is real

G# **G#7**

And one of them is sitting on the wrong coast

Eb **C**

One awaits an answer by return post

F **G#**

Waiting, waiting, waiting

Cold and wet and rain all night

G#7 **Eb7**

There s a letter I ve got to write

G#7 **E** **Eb7**

Something better is waiting for me

G# **G#7**

And one of them is sitting on the east coast

Eb **C**

One awaits an answer by return post

F **G#**

Waiting, waiting, waiting

G# **G#7**

Take a drink and staring out the window

Eb **C**

Wondering how long this can continue

F **G#**

Waiting, waiting
