Watching The Sky
The Bangles

C#
Watching the sky
B
And the moon we both lie under
C#
Miles and miles between us
B   **G#9**
It makes me wonder - are you
B   **C#**
Watching the sky, watching the sky too ?
C#   **B**
You fly in circles around the dark side of your soul
C#   **B**
While i m flying in this airplane with no sense of control
C#
Black sky it wraps around us
          B
Like skin it keeps us whole
            G#
And are you
B   **C#**
Watching the sky, watching the sky too ?

(**B**   **C#**   **B**)

Bbm   **Eb**
Big hotel island in a small town
Bbm   **Eb**
They send me flowers for my room
        G#   **C#**
But to-night, i ll drink their wine
   G#   **C#**
Tonight, I m gonna have a good time

(**E**   **F#**   **C#m**   **F#**   **C#m**   **F#**   **C#m**   **G#**   **E9**)

C#
Hanging on the telephone
    B
As if it were my friend
C#   **B**
Craving for some of that sweetness on the other end
C#
I ll lay under the stars tonight
B
instead of sleep pretend
G#   **B**   **C#**

That you, are watching the sky, watching the sky too.

C#   **B**
Baby, are you watching the sky ?
