

Watching The Sky  
The Bangles

**E**  
Watching the sky  
**D**  
And the moon we both lie under  
**E**  
Miles and miles between us  
**D** **B9**  
It makes me wonder - are you  
**D** **E**  
Watching the sky, watching the sky too ?  
**E** **D**  
You fly in circles around the dark side of your soul  
**E** **D**  
While i m flying in this airplane with no sense of control  
**E**  
Black sky it wraps around us  
**D**  
Like skin it keeps us whole  
**B**  
And are you  
**D** **E**  
Watching the sky, watching the sky too ?

( **D** **E** **D** )

**C#m** **F#**  
Big hotel island in a small town  
**C#m** **F#**  
They send me flowers for my room  
**B** **E**  
But to-night, i ll drink their wine  
**B** **E**  
Tonight, I m gonna have a good time

( **G** **A** **Em** **A** **Em** **A** **Em** **B** **G9** )

**E**  
Hanging on the telephone  
**D**  
As if it were my friend  
**E** **D**  
Craving for some of that sweetness on the other end  
**E**  
I ll lay under the stars tonight  
**D**  
instead of sleep pretend  
**B** **D** **E**

That you, are watching the sky, watching the sky too.

**E**

**D**
