This love has taken it s toll on me, she said goodbye to many times before

And her heart is brekin in front of me, I have no choice cuz I won t say

Kept playing love like it was just a game, pretending to feel the same,

Then turn around and leave again.

E D Am E

This love has taken it s toll on me, she said goodbye to many times before

And her heart is brekin in front of me, I have no choice cuz I won t say ${f C}$

My pressure on your hips, shaking my fingertips, into evry inch of you cuz **E**

I know that s what you want me to do, yeah...
