Well I drunk myself dumb

For damn near half my life

Well I have been knocked down

Kicked around till the pain

Cut through my veins like a knife

There s one thing I ve said

though I m not known to be wise

when I hear someone crying out

lemmenting, I just look them straight

in the eyes and say

Oh you re not the only one

who ever came home from nothing, Lord

And you re not, you re not the only one

who returned (wo-o-oh)
