

Hey Jude
The Be Good Tanyas

Hey Jude

Why nobody has corrected the 6 versions of this classic song yet is beyond me.

Cappo is on 1st

E **B**
Hey Jude dont make it bad
E B7 **E**
take a sad song and make it better
A **E**
Remember to let her into your heart
B **E**
and then you can start to make it better

E **B**
Hey Jude dont be afraid
E B7 **E**
you were made to go out and get her
A **E**
The minute you let her under your skin
B **E** **E7**
then you begin to make it better

A **Am** **F#m**
And anytime you feel the pain hey jude refrain
F#m7 **B** **E** **E7**
dont carry the world upon your shoulders
A **Am** **F#m**
For well you know that its a fool who plays it cool
F#m7 **B** **E**
by making his world a little colder

E **D** **A** **E**
Na Na Na Nananana Nananana Hey Jude

Etc etc

Someone is more than welcome to finish/perfect this, but for now I need sleep.
(Which
be a lot easier knowing people will be playing the right chords for this song)

Oh and this is my first :)
