                                     E
I passed along the way
                               C
                                             E
                                                      Am
Well I got down on my knees
                         (got down on my knees)
                                                      Е
And I pretend to pray (I pretend to pray)
